Wallaroo Commercial & Recreational Marina

The Copper Cove Marina complex, comprises essentially of two separate marinas – Commercial and Recreational.

The Commercial, lies within the breakwaters and adjacent the entrance channel, and provides secure, heavy duty, mooring, for commercial vessels up to 20 metres. Commercial berths are available to lease. Current tenants include prawn and crab boats and other vessels.

*pending new releases

The Recreational, lies within the inner Harbour, and provides safe protected mooring for recreational vessels with berths ranging in size from 10m – 17.5m. Recreational berths are available for sale and/or short term rental.

As demand increases, future expansion plans may allow for further recreational berths in front of the tavern and apartment complexes, including short stay for visiting crafts.
